

The Exhibition Supply Chair report for Fall 2018.

As of 1 October, a total of 83 orders have been completed in 2018. This is a total of \$ 6,042 in merchandise sales.

With the \$ 1,217 in postage collected, and only \$997 paid out, we have an additional net of \$ 220. This gives a net increase of \$ 6,262.

I have received email notice of 2 more orders, on their way, for a fall show, and an early spring show. I have no figures for them, yet.

In short, it's been a very good year, for my first season. I'm pleased to be able to be an unseen part of the success of the local, regional, and national shows.
