

**CALENDAR
Spring 2019
Janet Smith**

The 2020 Calendar has been printed and is now in the hands of the Storefront. John Ludi can report on how sales are going. We also added an "Early" order form with a deadline that seems to be working out.

John Ludi can also discuss whether we do a 2021 Calendar, and let me know of the decision.

BOARD DISCUSSION:

Life for me has changed and with that someone needs to step up and become Calendar Chair. This notice is in plenty of time for someone to get the 2021 calendar done and to the printers in November of this year. Should it be no one steps us in time - I will do the 2021 calendar but that will be my last one.

It has been fun working with John Jones, Chad Harris and John Ludi all these years but time has come, thank you to the committee.

There are guidelines and position description for this job. Would be helpful if someone had layout savy in the way of front page or what I use which is MS Publisher.

Respectfully submitted,

Janet Smith
Calendar Coordinator
