

AIS Exhibitions Committee Report – Part I, Schedules

Spring 2019

As of this writing (March 29, 2019), I have approved 106 shows for the 2019 show season. I anticipate receipt of about 25-30 more, including those for the usual 2-3 fall shows.

The electronic Show Supplies Order Form and Show Report Form continue to work well although I still send out a handful of paper forms to show chairs without internet access.

Respectfully submitted,

Lois Rose
