

The American Iris Society

Exhibition Show Reports - Spring 2019

The first shows are held this weekend (April 6-7) so I expect to have a number of show reports by the Board Meeting. The [show schedule by date is available on the Iris Encyclopedia](#) and is being used and updated regularly.

Medals -Thank you again to the Affiliates that are recycling medals and those that are donating medals for reuse. This allows us to order fewer new medals.

Last year 120 sets of silver and bronze medals were awarded. This represented 112 adult sets and 8 youth sets. For the latter we are currently using adult sets as well. One of the questions from the Portland Board Meeting was how many youth winners are there each year. The recent numbers of youth winner sets are:

2018 - 8
2017 - 7
2016 - 7
2015 - 7
2014 - 9
2013 - 4
2012 - 5
2011 - 12
2010 - 11
2009 - 15

An order of 150 silver medals and 150 bronze medals (adult medals) was placed and has been shipped.
