

## Secretary Report Spring 2019

Everything is operating smoothly. Everyone is submitting their bills for payment in a timely manner. Deposits, other than those done by specific individuals, ie: Storefront and Membership Secretary are now coming to me.

Due to the recent teleconference meetings, there have been no electronic motions submitted.

All the bulletins that were in my possession have been sent to the AIS Library. Some of the boxes arrived in damaged condition. A filing with the Postal Service provided a credit in the amount of \$10.74 which will be deducted when the Secretary's year end expenses are submitted.

As respects the proposed by-law changes that were sent to members the following is reported.

Total number of ballots received: 375

Proposed change to Article 11- Purposes – 370 yes votes – 5 no votes

Proposed change to Article 111 – Membership – 345 yes votes – 30 no votes

Proposed change to Article 1V – Meetings – 373 yes votes – 2 no votes

Proposed change to Article V11 – Officers – 350 yes votes – 25 no votes

Proposed change to Article X – Amendments – 368 yes votes – 7 no votes

**Based on the votes received ALL proposed changes to the by-laws have passed.**

A big thank you to Jill Bonino who graciously accepted acting in my absence during this 2019 Convention.

Respectfully submitted,

Michelle Snyder  
AIS Secretary
