Calendar Coordinator

Spring 2020

Susan Driver

After review by the calendar committee, the final proof of the 2021 calendar was sent to Gene Mandish at Sundance Press on November 1, 2019, with an order for 1,000 copies. The completed order was received at the AIS Storefront on November 20, 2019.

I want to thank Anita Moran and Neil Houghton for supplying me with photos, and John Ludi, John Jones, Chad Harris, Andi Rivarola and Phyllis Wilburn for their feedback on the calendar.

John Ludi reports that as of April 3, 2020, we have sold 295 calendars. This is comparable to the last 3 years, however, we will miss out on sales from the convention this year (80 to 100). We have one more month at the special price, so please encourage your friends and club members to get their 2021 calendar.

Respectfully submitted,

Susan Driver, Editor
