

Electronic Services and Website

FOR INFORMATION ONLY

I am pleased to report that the long-standing problem of the banner at the top of the new website has been resolved. Jody and I wrote to the designers and they sent information about a patch. John James kindly offered to install it and so far no one has reported a problem on any of the various devices.

We continue to work on find missing items and links on the website.

In other electronic related news, Iris Lovers page on Facebook reached the milestone of 10,000 members.
