American Iris Society
2020 Speaker List
SPRING 2020 Report
By: Hooker T Nichols

Since 11/2019 I have received one request for speaker list. No changes to the individuals that are currently on the list.

As of November 2019, we have approximately 60 individuals that either I have completed Speaker Information sheets or conducted classroom Judges Training at regional meetings, local iris societies, and/or provided in-garden training for groups or individuals.

So far in 2019 requests for speakers and/or judges training instructors has been light. I welcome regions and/or local iris societies to contact me for speaker suggestions.

Thank you,
