

The American Iris Society

Nominating Committee - Spring 2020

The Nominating Committee will be presenting a slate of candidates at the Spring Board Meeting. Before this, an issue of News & Notes the week of May 11-15th will explain how nominations from the floor will occur during a teleconference.

Recommendations:

1. Publish regularly an article explaining how Directors are selected. This might encourage more volunteers for Director nomination.
2. Include the Nominating Committee Chair in the Leadership Directory.
