6. Daughter Of Stars
7. Gypsy Lord

458 irises are on the 2020 AIS Symposium Ballot

2020 AIS Symposium Ballot should be available on website by early June.

A spreadsheet for RVP's to use for counting will be sent out in early June.

Hopefully, more members will vote this year with ballots included again.

It is uncertain what effect on the Symposium the Board's decision to withhold the 2020 Awards; but it definitely will have an effect. In 2021 the Symposium Ballot will probably be slightly smaller as a few irises may drop off of the list but no new irises will be added. Assuming we have Awards in 2021, the 2022 Symposium Ballot will probably be significantly larger.
