

## **Audit Committee Report**

November 2021

### **INFORMATION ONLY**

The Audit Committee is currently in the process of auditing the books of the 2020 Convention. As you are probably aware, even though the convention did not happen, there was income and expenses related to the convention and the International Iris Competition, which was one of the convention activities.

Once the audit is completed, the Audit Committee will report to the Board.

Respectfully submitted.

Howie Dash

Audit Committee
