AIS Library – Molalla Location

With great sadness from all of us, Librarian Dave Silverberg passed away this summer. AIS President, Jody Nolin has resurrected the Library Committee to discuss the future plans for the Library materials held in the Molalla location. The Committee is comprised of 5 AIS Board members, 3 of which are also Foundation Board members, plus President Bob Hollingworth. Will Plotner has agreed to help out on a temporary basis. Meetings are ongoing. No decisions have been made as of this date.

Respectfully submitted,
Jill Bonino,
Secretary/Treasurer
