

Bulletin Editor's report

Hello, friends—

We are late in producing the Spring *IRISES* due to unavoidable holdups in the previously unscheduled Volume 5 of our centennial publication. (It hasn't been as much of an issue as it would normally be due to there not being a convention.) However, we expect to be back on track for the next one and the deadlines remain:

June 10
Sept. 10
Dec 15
March 10

Like everyone, we are sad to miss the convention—now for a second year—and hope to see you all soon!

Thank you to everyone who proofs, sources images, and helps in general. We appreciate it.

We are always looking for great content, so bring it on! Thank you.

Respectfully submitted,

A handwritten signature in cursive script that reads "Jane".
