

CONVENTION LIAISON REPORT

October 1, 2006

1. I am still looking and need your assistance in finding a site to host the 2010 convention. If you would like to be a host or you know of a site that would like to host one, let me know. Beardless plants would be received in Fall of 2007.
2. Am working with the Las Vegas Iris Society on hosting the Fall Board Meeting for 2008. If they agree, I would like to have approval to move Tulsa, OK to hosting in 2009.
3. Am working on a site in Northern California for 2010 for a Fall Board Meeting.
4. I now have a committee that I work with, Ron Mullin and Dennis Hager.
5. Committee is now discussing changing the structure of spring Convention Working on possibly ½ day garden tours, more seminars, workshops and giving people choices. Have contacted AIS Section Liaison, and sections for comments.
6. I would also like to continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to The AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention

Paul W. Gossett
AIS Director, Convention Liaison
