

CONVENTION LIAISON REPORT

May 1, 2006

1. I am still looking and need your assistance in finding a site to host the 2010 convention. If you would like to be a host or you know of a site that would like to host one, let me know. Beardless plants would be received in Fall of 2007.
2. Am working on Fall Board Meeting site for 2009.
3. I would also like to continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to The AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention
