

Guide for caring and storing the
AMERICAN IRIS SOCIETY
DISPLAY SCREEN

1. The screen is to be stored in a clean, dry, and safe place
2. When shipped it is to be insured for \$1000 and have a tracking number. Return shipping should be the same way.
3. Upon return of the screen it is to be checked over for missing parts and the information for assembly needs to be on top of the case.
4. 6 month activity report on the screens movements needs to be sent to the Public Relations Chair for filing.
