The majority of this year's donations have come from Affiliates, Regions and Sections of AIS to help defray the rising cost of AIS Liability Insurance. At the fall Board Meeting, I expressed my deep "thanks" to those who have made generous donations. Some clubs gave monies last year and have given again. Many "great" Irisians have passed away this year and will be sadly missed. Many of their Iris friends have sent monies in remembrance of them.

Respectfully submitted AIS Donations Secretary - Donna James
