

# THE AMERICAN IRIS SOCIETY

## AWARDS COMMITTEE REPORT

**May 2006**

*The Official 2006 AIS Ballot* was prepared and placed in USPS by March 1, 2006. 627 Ballots were mailed to eligible voting judges (357 Garden, 229 Master/Active, 41 Emeritus) and 63 voided Ballots to Apprentice judges. Due to an egregious error in preparing the data base for HM bearded irises, 16 cultivars were inadvertently omitted from the *Official 2006 AIS Ballot*. A new Ballot was prepared and mailed to eligible voting judges but not to Apprentices.
