

**AIS INSURANCE
FALL 2007 REPORT
MICHELLE SNYDER - CHAIR PERSON**

This is a very short and happy report. Everything is going along very well with the AIS insurance. The renewal for the package policy came in under \$9,000 which was a very pleasant surprise. As a side note, I understand that the Society for Louisiana Irises has been speaking directly with the broker in the hopes of obtaining their own liability insurance.

In response to President Jeanne Clay-Plank's request regarding including any significant developments/achievements during the past three years, the one significant event was finally finding a broker who deals exclusively with garden clubs as well as a dedicated underwriter at a well known company that knows exactly what we are and what we need. This has resulted in our being able to obtain the best possible insurance coverage for AIS at a substantial savings.

Respectfully submitted,

Michelle Snyder
Insurance Chair
