We have a revised update process that makes it much easier to update the database periodically.

### **Online Subscription Service**

The online membership subscription service using PayPal seems to be working well.

The Dwarf Iris Society (DIS) and Aril Society International (ASI) have recently given me information so that I can add them to the process.

### **Digital Projector**

The digital projector continues to be used throughout the year. Everyone that has used it has been very complimentary on its ease of use and how great it is to be able to view digital pictures

### **AISBoard.org**

The AISBoard mailing lists seem to be working reasonably well, as does the download site for AIS Documents.

All the messages are being archived. The archives for AISDiscuss and AISVote are accessible by the public.

### **Membership Lookup**

The Board approved, via electronic voting, a motion to spend up to \$700 to implement online membership expiration lookup. The architecture has been designed and is being implemented.

### **AIS Website**

The AIS Website continues to be managed in an extremely professional way by Chris Hollinshead. The contract for his services is in place. Many thanks and congratulations to him.
