AIS LIBRARY COMMITTEE REPORT

All incoming materials are being inventoried on the computer and filed away properly.

The two ongoing projects remain to be the computer listing of the Foreign Sections and Individual Biographical files.

Many of the Foreign Societies have discontinued furnishing to the AIS Library their bulletins. Contacts are being made in hopes to remedy the situation.

There has been some activity of individuals needing research materials in the last six months. Also a flurry of books and vast materials donated including materials from Sid DeBose/Ben Hager estate, and the estate of Walter Machulak.

Attached is a copy of the **AIS LIBRARY ITEMS FOR THE 2007 CONVENTION SILENT AUCTION** for the Board's approval. A reminder to Board Members that these items are ***ALL EXCESS*** materials.

Respectively Submitted,

Tracy Plotner
AIS Library Chair
