## AMERICAN IRIS SOCIETY Speakers List

The Speakers List is growing all the time. We have 20 speakers on the list that are available to provide a wide range of Programs and Judge's Training.

Our first assigned speaker will do a program for Region 22 on August 4, 2007, with a Judges's Training and also a Banquet Address.

I now need to do a Bulletin article, or ad, for the list to grow, but due to family involvements, time has not presented itself.

This I'm sure will also bring more requests from the members for speakers that are currently available, and maybe some new additions to the list.
