

## CONVENTION LIAISON REPORT

March 15, 2008

1. I am still looking for a site to host the 2011 convention but, I have a couple of sites discussing hosting the convention. I have not received an invitation yet. Beardless plants would need to be received in Fall of 2008.
2. My Committee will be discussing and making plans to add seminars, workshops and other activities starting with the 2009 Kansas City Convention.
3. I would also like to continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to The AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention
