

AIS_INSURANCE
SPRING_2008_REPORT

Nothing major to report. Everything is working smoothly. Certificates of Insurance continue to be issued rapidly and without any problems.

SLI had contacted me early in 2007 about getting insurance coverage for their organization. Once again, our broker came through and I have been told that SLI now has liability insurance coverage in place.

Our insurance premium continues to be a huge savings over last year.

Respectfully submitted,

Michelle Snyder
Insurance Chair
