

## CONVENTION LIAISON REPORT

October 15, 2009

1. I am still looking for a site to host the 2013 convention. I have contacted several sites but, I have not received an invitation yet. Beardless plants would need to be received in Fall of 2010. I would like to have a site in the Eastern part of the country but, at this time, I would take any part of the country.
2. I have signed a contract with the Embassy Suites Hotel - Atlanta Airport in Atlanta, Georgia for the 2011 Fall Board meeting.
3. I continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to the AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention
