FALL_2009_REPORT**

Everything is working smoothly. Certificates of Insurance continue to be issued rapidly and without any problems and I am seeing a steady stream of Certificates come into my office, indicating they are being utilized by our affiliates.

The premium for the package policy had a slight increase from last year due to normal insurance company inflation guidelines as well as a full years premium for the two additional coverage's that were implemented last year. Total additional premium is approximately \$700.

Respectfully submitted,
