

Iris Resources – Slide and Digital Programs Fall 2009

Janet Smith, Coarsegold, CA

Our Committee Goals are to “provide high quality slide programs in whatever form requested to AIS Affiliate groups at a cost to them as determined by the AIS Board of Directors.”

Currently we have completed new, corrected CDs of ‘AIS AWARDS 2003-2009’, ‘Introductions’ 2008, AIS Convention 2009 – Kansas City, MO and 2007 OKC, Iris in the Garden, Dykes Medal Winners’ updated. We have many more in the developmental stage. There are now a total of 18 CD programs. In addition there is a new slide program by Jill and Joe Bonino - ‘Iris in the Garden’.

CDs were available at the Kansas City Convention and sales were brisk. We will continue set discounts at \$200 for all 18 CD programs.

Slide Rentals have been steady. Since the first of year, we have sold 191 CDs (including 8 sets) and rented 18 Slide Programs.

Recap of Income/ Expense activity: Beginning of term 10-1-08 to 9-30-09

Total Income \$2,658.45 - 203 CD/DVDs sold and 19 Slide Sets rented

Total expenses \$1,418.19 - Postage. Sales \$161.68, Postage \$414.13 and Supplies \$842.38.

I am still enthusiastic about being the Iris Resources – Slides and Digital Programs Chair. AIS has many resources (members, slides, hybridizers) to produce OUTSTANDING IRIS PROGRAMS for Affiliates, garden organizations and individual members. We will continue making available programs with high quality pictures and accurate information.

A Disaster Plan is in place and all pertinent information will be stored and updated on a regular basis.
