

CONVENTION LIAISON REPORT

April 15, 2009

1. I am looking for a site to host the 2013 convention. I have contacted several sites but, I have not received an invitation yet. Beardless plants would need to be received in Fall of 2010. I would like to have a site in the Eastern part of the country.
2. I am working with Carolyn Hawkins with the Flint River Iris Society and the Georgia Iris Society in the Atlanta, Georgia area to host the 2011 Fall Board meeting. She is putting everything together before offering an invitation for approval.
3. I continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to The AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention
