

American Iris Society
Publications Committee Report
May 2009

Projects in Progress

- Hybridizers manual – outline attached, possible publication 2011
- Compendium of Bulletin articles – likely ready for 2010
- Collaboration in development of CDs with Iris Program Resources Committee

Projects Delayed

A call for volunteers will be made in the AIS bulletin and Iris Talk

- The following projects will be launched once volunteers are identified
 - Centennial publication
 - Chronicles
 - Ben Hager
 - Others

Respectfully submitted,

Publications Committee
