

CONVENTION LIAISON REPORT

OCTOBER 15, 2010

1. I am now looking for a site to host the 2014 convention. I have not received an invitation yet. Beardless plants would need to be received in Fall of 2011. I would like to have a site in the Eastern part of the country but, at this time, I would take any part of the country.
2. I have received an invitation from the Greater Portland Iris Society to host the 2015 AIS Convention. I would like to have approval to accept this invitation.
3. I am still working on future conventions that will be more of an educational convention with possibly 1 or 2 gardens and maybe a shorter convention length.
3. I am working on expanding my committee so that my committee can assist sites with the convention working in positions that do not require a local person.
4. I continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to The AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention.

Paul W. Gossett
AIS Director, Convention Liaison
