

**AIS Judges' Handbook Revision Committee**  
**Jim Morris, Chairman**

Since being appointed chairman of this committee by president Judy Keisling, I have begun to assemble a team to do a complete review of the AIS Judges' Training Handbook. Since no record exists from the previous chairman, E. Roy Epperson, either in his personal or University computer files, nor from any commercial printer, the first action has been to OCR scan the existing handbook as a starting point. One of the members of my team is in the process of doing this.

I will be asking each of the Sections and Cooperating Societies to suggest one or more candidates to this committee. If anyone on the AIS Board has a recommendation please suggest same to me. I anticipate a two-tier committee: one tier the research and writing/implementation group and the other tier the content review group. However, I am open to any suggestions you may have. I welcome your guidance.
