

Obituary Editor Report, November 2010
By Jim Morris

The publication and coverage of AIS member deaths is authorized by guidelines established by the AIS Board of Directors in AIS Policy Statements.

The evolution of this coverage is such that most obituaries are contained within my *Milestones* column under the heading "Remembering Salt-Of-The-Earth Members." In 2010 obituaries were printed on the following:

January 2010 *Bulletin*

Libby A. Cross, Covington, VA

Larry D. Stayer, Tulsa, OK

April 2010 *Bulletin*

Dr. E. Roy Epperson, High Point, NC

Combination obituary and promotional iris advertisement on pages 40-41, although a nice sentiment for Nancy W. Jones, was not authorized by me and was in violation of AIS policy.

July 2010 *Bulletin*

Marta Marie Caillet, Little Elm, TX

John W. White, Minot, ME

October 2010 *Bulletin*

Carl H. Boswell, Concord, CA

Glenn F. Corlew, Walnut Creek, CA

Allan G. Ensminger, Lincoln, NE

Perry L. Parrish, Oklahoma City, OK

E. Lucille Pinkston, Parma, ID
