

Photo Contest
Fall 2010
Janet Smith, Coarsegold, CA

I hope you will enjoy the winning photos of the 2010 Contest in the January 2011 bulletin and on the AIS web site.

This year the categories were split into two sections one Adult and the other Youth. We also accepted digital photographs along with prints. Digital photographs made up the majority of the competition.

There were a total of 300 photos entered consisting of 65 adults and 6 youth that participated.

The judges for this year's contest were from The Photographic Society of America; they felt honored to be asked. They were Dr. Lloyd Bever, Tom Frazier and Sam Shaw. They had such a streamlined system for totaling points for each entry that all 300 photos were done in an hour and one half.

Respectfully submitted,
Janet Smith
