

## AIS Silent Auction Report – Fall 2010

- Final results of the 2010 Silent Auction were:
  - \$3,771 received from the sale
  - 249 items
  - 45 donors
  - 76 bidders
- There has been no activity for the 2011 Convention for a couple of reasons:
  - The convention is in Canada with cross border issues on the donations
  - The Silent Auction Chair position is currently empty
- Future Silent Auctions Chairs will have to devise a different method of tracking and controlling the various aspects of the process (Bidders, Donors, Items, Reports etc.) as the copyrighted Access Program that has been used in the past is no longer being maintained by its author.

I would like to thank Barbara & John Sautner for the wonderful job they've done on the Silent Auction for the past few years and all the helpers who have come forward to take part in this labor intensive undertaking. Over the past 12 years this has netted over \$82,000 for AIS.
