

Iris Resources – Slide and Digital Programs Spring 2010

Janet Smith, Coarsegold, CA

We continue with our Committee Goals to “provide high quality slide/CD programs in whatever form requested to AIS Affiliate groups at a cost to them as determined by the AIS Board of Directors.” I encourage the Board Members to review our CDs and slide programs and urge their own Affiliates to rent/purchase them.

Currently we have completed the CD ‘AIS Awards’ and are completing a new CD of ‘2009 Intros’.

<u>Sales so far:</u>	<u>October 1, 2009 to April 30, 2010</u>	<u>October 1, 2008 to September 30, 2009</u>
Slide Rentals	(5)	(19)
CDs	(60)	(203)

We have many more in the developmental stage. The problem we have is the time to keep up with all the new ideas we have.

Slide Rentals have been (1) Beardless, (1) Iris Family, (3) Iris in the Garden.

Recap of Income/ Expense activity: Beginning of term 10-1-09 to 4-30-10

Total Income \$947.90 - (60--CD/DVDs sold) and (5-- Slide Sets rented)

Total expenses \$624.87 - Postage. Sales \$98.38, Postage \$45.68 and Supplies \$480.81

We did receive many suggestions for new programs and also many offers of help in the form of programs that members have developed themselves. We are working on all of these suggestions.

I continue to be enthusiastic about being the Iris Resources – Slides and Digital Programs Chair. We believe we have accomplished “Wow” for the Slide and Digital Programs and shall be asking for your help and support in carrying out this mandate. AIS has many resources (members, slides, hybridizers) to produce OUTSTANDING IRIS PROGRAMS for Affiliates, garden organizations and individual members. We look forward to making available programs with high quality pictures and accurate information

Janet Smith, Chair
