

CONVENTION LIAISON REPORT

OCTOBER 15, 2011

1. I am still working on a site to host the 2014 convention on the East Coast. I have not received an invitation yet. This will need to be discussed.
2. I am also working on a site to host the 2016 convention. I have not received an invitation yet.
3. I am working on a site for the 2013 Fall Board Meeting and will soon be working on sites for 2014 and 2015.
4. I am working on expanding my committee so that my committee can assist sites with the convention by working in positions that do not require a local person.
5. I continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to the AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention.
