

CONVENTION LIAISON REPORT

MAY 15, 2011

1. I am now working on a site to host the 2014 convention. I have not received an invitation yet. This will need to be discussed.
2. I have received an invitation from the Columbus Iris Society in Columbus, Ohio to host the 2012 Fall Board Meeting. I would like to have approval to accept this invitation.
3. I am still working on future conventions that will be more of an educational convention with possibly 1 or 2 gardens and maybe a shorter convention length.
4. I am going to Atlanta, GA in mid June to make final plans for the 2011 Fall Board Meeting.
5. I am working on a site for the 2013 Fall Board Meeting.
6. I am working on expanding my committee so that my committee can assist sites with the convention working in positions that do not require a local person.
7. I continue to ask the chairpersons of the AIS conventions to strive to get the registration and meeting information to the AIS Editor and the AIS Web Page Master as early as possible, so that the membership can have the information to make plans to attend the convention.
