

CONVENTION LIAISON REPORT
MARCH 25, 2012

1. I am working with the Iris Society of Dallas on both the 2013 and the 2014 AIS Conventions. They are also hosting the 2013 Society For Louisiana Irises (SLI) Convention immediately following the AIS Convention.
2. The future of AIS Conventions and the part AIS will play in funding them. I need a decision by the AIS Board of Directors at this meeting so I may proceed with a site for the 2016 AIS Convention.
3. I will be working with Delaware Valley Iris Society in hosting an AIS Convention following this convention.
4. I am still working on expanding my committee so that my committee can assist upcoming convention sites with conventions by working in positions that do not require a local person.
5. I have had a request to have the 2014 Fall Board Meeting in Salt Lake City, Utah. Susan Boyce has agreed to assist me with the preparation and the hosting of the AIS Board of Directors. I would like to have your approval to start work on this meeting.
6. I continue to ask the chairperson of AIS Conventions to strive to get the registrations and meeting information to the AIS Editor and the AIS Web Master as early as possible, so that the membership can have the information to make their plans to attend the convention.
