Working closely with John Ludi of AIS Storefront the 2014 Calendar was completed and available to the members and public a lot earlier. John and I still do not know this early availability was not taken advantage of. John Ludi will let you know what the total left to be sold is in his report.

I have been asked to do the 2015 Calendar and have requested Sundance Press to send a quote to John Ludi to present to the Fall Board for a decision. Do we want to drop from 2,000 to 500, 1,000, or 1,500. I shall leave that decision up to the Board. (It was mentioned by the printer that the price for 500 will be higher because of the small amount.)
