

Photo Contest Coordinator
Fall 2013
Janet Smith

Same as last year I kept the two sections; Adult and Youth. Digital photographs made up the majority of the competition this year, with just a few prints.

296 photos - 77 adults

14 photos - 7 youth (4-14 years of age)

310 photos total

The judges were AIS members Judy Keisling, Elledan McLeester, and Kelly Norris. I thank them for their time in the success of this year's photo contest.

We had 4 overseas entrants, Phillipines, Slovenia, Romania, Belgium, Poland, and New Zealand. Three

I will restructure the entry form verbiage hoping to clarify all the problems experienced this year.

The entry form reflected that winners and runners-up prizes of rhizomes will only be shipped within the United States. International winners will receive membership to AIS, as stated on the form. Everyone understood the situation and were agreeable to the decision.
