

CONSOLIDATED EXHIBITIONS REPORTS - SPRING 2013

SCHEDULES

As of this writing (March 17, 2013), I have approved 102 shows so far this year. I hope to receive about 40 more. This year, for the first time, I am sending the Show Supplies Order Form and the Show Report Form out electronically as "fillable" PDF documents to all those show contacts for whom I have e-mail addresses, which is about 90%. The electronic forms seem to be well-received, as only three have written back asking for printed forms. Of the 10% who received old-fashioned paper forms via snail-mail, with a cover note explaining that electronic forms were available, I heard back from two, via e-mail asking for the electronic forms

Respectfully submitted, Lois Rose

SUPPLIES

As of March 18th, I have shipped out 29 orders. I expect to ship out at least another 30-40 more orders this year. I expect the number of orders to be down again this year as many of the iris shows were canceled last year due to the extremely early Spring. Everything else has been going smoothly this year.

Respectfully submitted, Susan Boyce

SHOW REPORTS

The 2012 Exhibition Reports have been completed and submitted to the Board for approval and publication. The 2012 AIS Exhibition Report and 2012 Youth Exhibition Report have been published in the January 2013 issue of the Bulletin of the American Iris Society. These two reports and the following Reports will be posted on the AIS web site in the Membership Services section under Exhibition Reports:

- 2012 AIS Exhibition Certificates
- 2012 Bronze Medals/Certificates
- 2012 AIS Multiple Best Specimen Winners, also known as the J. Arthur Nelson Award.

For 2013 we have ordered additional Silver and Bronze Medals for issue as we process the 2013 Show Reports. We have obtained a new supply of Exhibition Certificates with Jim Morris' signature.

The 2013 Exhibition Reports will be expanded to record the number of Blue Ribbons won by the Silver and Bronze Medal winners of each show.
