

AFFILIATIONS CHAIR REPORT SPRING 2014

The affiliation process started on Jan 7th and so far 4 of the regions have sent in all of their paperwork. The paperwork and checks are due to the RVPs on April 1st and the RVPs have until April 15th to send everything to me.

There has been a BIG problem this year with several RVPs not reading their emails, following instructions, communicating, or sending the paperwork to their affiliates. I have tried sending emails to them and following up with phone calls, but with no success. I am at a loss at what to do to get the RVPs to respond or to do their jobs.

Respectfully submitted
