

**CALENDAR  
Spring 2014  
Janet Smith**

The 2015 Calendar has been printed and is now in the hands of the Storefront. John Ludi can report on how sales are going.

President Jim Morris stated I was not to work on the 2016 Calendar as he will not be president then. However, the calendar goes to press typically November/December which would mean November/December 2014.

John Ludi can discuss this matter with the Board.

Respectfully submitted,

Janet Smith  
Calendar Coordinator
