

EXHIBITIONS CONSOLIDATED REPORT SPRING 2014

APPROVAL:

As of this writing (March 17, 2014), I have received approval requests for 106 shows. Due to two-and-a half weeks of travel in Feb. and March, the peak time for show schedule approvals, I developed a backlog of schedules awaiting approval so I have approved only 84 shows so far. The rest should be approved within a week.

About 75% of the schedules have been sent to me via e-mail this year, which saves everyone a little postage and speeds up the process a bit. It also provides me with an e-mail address to which I can send the electronic Show Supplies Order Form and Show Report Form. I have had to send out only 6 printed sets of these documents so far.

SUPPLIES:

As of March 17th, I have received only 23 orders for a total of \$1,828 income for this year. This is a bit slow compared to the last few years. I expect to have a large number of orders to fill when I get back home and I promise to have all of them filled and mailed out within 2-3 days after I get back home.

SHOW REPORTS:

We don't have much to report. We do want to thank John Jones for getting the 2009 through 2013 Exhibition Reports posted on the AIS website. We are ready to start receiving the 2014 Show reports.
