

Calendar Coordinator
Fall 2015

Since the Board asked I not go to press on the Calendar until March 2017 there is nothing to report at this time. Sundance Press will not quote this early and hold the prices.

I will say it makes it a little tough for me as March is also the time I am gearing up for the Photo Contest.

Board Discussion:

The Board ruled in 2014 in order to save monies I hold off from working on the Calendar in November. Instead print it in March the following year.

However, this has created a problem as the Spring Convention Board meeting is not until May 2017. How shall John Ludi and I get the approval for the 2017 calendar to be printed in March and the quantity, since we cannot obtain a quote from Sundance Press at this time?
