

Ad Hoc By-law Review Committee

Fall 2015

Committee members: Judy Keisling, Susan Grigg, Susan Boyce, Anita Moran, Andi Rivarola

The committee has done the preliminary review of the by-laws. Areas of comments and suggestions from prior Board meetings were given particular attention, such as membership levels, Board composition, meetings and amendments process.

We are in the process of discussing our ideas. Some health issues have prevented us from finishing this process.

Over the winter we will finalize our suggestions for presentation at the Spring meeting.

Respectfully submitted,

Jody Nolin
