

CONSOLIDATED EXHIBITIONS REPORT - FALL 2015

SCHEDULES - Lois Rose

I approved 135 shows in 2015, including three fall rebloom shows. This is by far the fewest number of shows in any year since I took over this job 6 years ago. I received notice that one show was canceled and another changed to just an unjudged exhibition. Ray and Karen Jones may know of other cancellations.

SUPPLIES - Susan Boyce

As I noted at the Spring Board meeting, the number of orders for supplies in 2015 was going to be quite a bit lower this year. I only received 68 orders for an income of \$5414. Last year I received 87 orders with an income of \$7,850.

Entry tags will be ordered soon and there will be a price increase for these in 2016. As for shipping costs, the USPS has not yet released any information as to the possibility of any price increases, so I will be watching for this information, and if there is, I will notify the board of any change that needs to be made for the shipping and handling fee.

SHOW REPORTS - Karen and Ramon Jones

This is the current stats for the J Arthur Nelson Award. Tied for 1st place is Dusky Challenger and Jesse's song with 3 wins each. Tied for 3rd place are Absolute Treasure, Drama Queen, and Welch's Reward with 2 wins each.
