

American Iris Society President's Report Fall 2015 Board of Director's Meeting

My stewardship of the American Iris Society as president ends in November 2015. As I look back at my three years in office I am reminded of all the good people who served with me and helped me in office as we saw many changes in this pan-digital world in which we live. My heartfelt thanks to them all. It has been a lot of work but fun also.

A few things I would like to see us discuss at this board meeting in the proper place in the agenda includes the following;

1. Status of insurance claim of individual who fell and was injured in the Vaughn garden at the AIS spring convention in Portland.
2. Late filing of AIS financial tax return with Internal Revenue Service in 2015.
3. Guest editors and Advertising editor needs in *IRISES The Bulletin of the American Iris Society*.
4. *Bulletin* photo captioning standards vs that of the various Section publications.
5. Ways to speed up the Iris Registration process and possible electronic posting to the hybridizers and the AIS Encyclopedia without long wait for the printed R & I.
6. Judges' Training Handbook Revision needs and status.
7. AIS Centennial celebration plans for 2020 convention in New York.

Jim Morris
President
American Iris Society
