

**Honorable Awards Chair  
Spring Board Meeting 2015**

Judy Keisling

As approved by the Board at the Fall Meeting, I ordered 10 Hybridizer Medals; the price was as stated in my Fall report.

Currently I have the following medals on hand.

Distinguished Service - 6  
Hybridizer - 9

It is my understanding that there is an inventory of Warburton Medals at the AIS Library. I don't have a count of those.

For the Gold Medal, we use the Distinguished Service Medal and have it gold plated - cost for gold plating is \$30.00.
