

**AIS INSURANCE
FALL 2015 REPORT**

Everything continues to run smoothly in obtaining certificates of insurance for various AIS sponsored events. For the year 8/31/15 to 8/31/16 I received a total of 56 copies of Certificates of Insurance that were issued for various events held during the year.

Other than the normal goings on throughout the year there is nothing to report.

Respectfully submitted,

Michelle Snyder
Insurance Chair
